Mykolayiv, a city of several hundred thousand inhabitants, has been without water for several weeks. For technical purposes, they go to the river to fetch water, and for food they buy it when it is available. There is also a car delivering water around the city. It has been to our parish twice. Well, but it is a luxury compared to other cities affected by the occupation. In the picture we can see Sr. Faustina helping to distribute water.

Our Sisters are also involved, for example, in preparing camouflage nets for soldiers.

Many women and young people spend hours, days, weeks doing this work.

*Easter, also called Pascha – the celebration of Christ’s resurrection – is the oldest and most important Christian holiday. In Poland also in Ukraine , it’s celebrated by Christians of various denominations. **Traditionally include:** Blessing of the Lamb baked from a cake, eggs, meat and other foods on the eve of the Holy Passover*

Polish and Ukrainian freedom fighters, came to sacrifice food for Easter breakfast - in a soldier's helmet (instead of a basket) ...

Others...

prepare dumplings or even cookies, like our Sr. Klara and girls, to send to the fighting

In the food parcels, the soldiers also received drawings by our Bar children, full of painted hearts, flowers, which made a great impression on them.

They decorated their trenches with them.

In the picture you can also see a picture - God's Mercy.

A photo of our garden, most of which is already landscaped and seeded.

We hope to harvest crops and fruit in peace....

Restore our fortunes, Lord,  
like streams in the Negev.  
Those who **sow with tears**  
**will reap** with songs of joy.  
Those who go out weeping,  
**carrying seed to sow,**  
**will return with songs of joy,**  
**carrying sheaves with them.**

*Psalm 126*
